

Sold

Unit 50, 1 Grenada Way, Kawana Island

PRIVATE WITH PLEASANT VIEWS TO MOOLOOLABA AND BEYOND

Directly opposite the lift you have 2 separate car parks that will take you to your 3rd floor very large 184 M2 house sized apartment which is privately and perfectly positioned on an end in the complex where you can see a little of the lap pool and also have great views to Mooloolaba, Mt Coolum and up the lake from your 2 massive north facing balconies. These very clever spacious and architecturally well designed apartments gives you total privacy without any units opposite looking in on you and tiered back so you will feel you are all out there on your own, you could almost be mistaken for thinking you are in a house but sitting nice and high with a very pleasant outlook. It's peaceful, private and very secure with a lockable gate at entrance to southern balcony where you can view the hinterland and hospital in the distance but far enough away not to be disturbed by the sirens or helicopters at all hours! Paint out the chocolate wall and it will open it up and make this very large apartment look even more spacious than what it is. Just down the lift you have a fully equipped gym, lap pool, lagoon pool, spa, sauna and tennis court. This is how life should be, when you're not working you have time to relax, enjoy the facilities, wander over to Mykies or The Green Zebra for brunch, dinner, drinks and tapas and live life rather than working to maintain a pool, yard and gardens. There's an onsite Manager and gardener who keep the facilities in check with the landscaping and surrounds looking fabulous all year round as Leeward Apartments is definitely one of the best Resort style living
