PERFECT NORTH FACING AND PRIVACY FROM POOL AND ENTERTAINING AREA

This solid neat home captures the winter sun with the very large north facing outdoor entertaining area which overlooks the very large pool which being positioned right can be used all year round! You also have great privacy as no high set homes around to look down and take away your feeling of perfect privacy. This centrally located home which is just perfect for the family is an entertainers delight offering great flow through from the kitchen, dining and living rooms out to the large covered North facing entertaining area and pool. The great layout continues throughout with good separation between the master bedroom and bedroom 2 and 3 as they are located in 3 different corners of the house making it more private for everyone. It is a good large flat level block with front and back yards for the children and pets to enjoy. There is an air-conditioner installed but it rarely gets turned on as there is such great cross ventilation with the good sea breezes filtering through and some nights you can even hear the waves in the distance!

It's only a 10 minute walk down to the lake and a few minutes drive to the Beach. Wurtulla Shopping Village is an easy stroll down the road and around the corner and has everything from an IGA, Butcher, Bakery, Bottle Shop, Newsagent, Doctor, Dentist, Chemist, Restaurant and more plus there is a bigger Shopping Centre only a few minutes drive away as well.
