Unit 32, 1 Grenada Way, Kawana Island

ITS LARGE, STYLISH AND BEAUTIFULLY RENOVATED!!

This amazing house sized apartment is an Entertainers delight as it has ample storage throughout the kitchen with extended built in Dining area. When downsizing that is probably the biggest complaint that prospective buyers make, the kitchen is too small, there's not enough storage space, the apartment is not spacious enough, there's not enough airflow, we need 2 car parks side by side, we want large wide balconies to entertain on that flow out from living area. Well I have to say this one definitely ticks all those boxes and more and is positioned opposite Double Bay Beach and Park on the much sort after and fabulous Kawana Island.

This pristine apartment has white stylish shutters throughout and as you enter through the southern entrance you have 2 large bedrooms with built ins on either side, as you walk up the extra wide hallway you come upon a beautiful open plan with dining, kitchen and spacious living areas that flow out seamlessly onto the wide north facing balconies. You will be in awe of the newly renovated kitchen offering new oven, cooktop and rangehood, built in tidy bin drawer that separates your rubbish from recycling plus so much extra storage from pull out pantry drawers and space that has been extended to flow perfectly along the dining room wall for your added convenience.

The Master Bedroom is very separate from the other 2 bedrooms and it opens onto a north facing balcony offering the perfect aspect to capture the winter sunshine. The ensuite is large with luxurious spa bath, shower and double vanities and the walk in robe has ample space from floor to ceiling.
